

Everyone in your group gets a copy of the magazine, and every copy has a page for every person in it. This is yours. It takes five minutes. Short answers are better than long ones.

WHICH PARTY

Who organised it (the name on the order)

The occasion

The city you are all in

Date the copies are needed

YOU

First name, as you want it printed

Last name

Your email (send this form back from this address)

Your town or city

YOUR PAGE

A line each is plenty. We write it up in the magazine's voice; nothing is printed at your expense.

How this lot know you, in one line

How long you have been smoking

How you like to take it

Your favourite time of day for it

One thing you would tell a first-timer

A line about the occasion, or about whoever it is for (optional)

In your own words, up to about forty of them, printed as you write them

WHAT TO SEND WITH IT

One photograph of yourself, attached to the same email as a separate file. A phone photo is fine. Good light, just you in the frame, and the bigger the file the better. Do not paste it into a document.

THE RULES

- ☐ I am 18 or over.
- ☐ The photograph is mine to give you, and I am the only person in it. If anyone else appears, they have agreed and they are also over 18.
- ☐ There are no shop fronts, logos, menus or prices in the photograph, and no nudity.
- ☐ You may edit my words for length, and you will take out any shop names and prices.
- ☐ I have read the Standards and the Privacy Policy at polyc.nl. My photograph and words are kept for 90 days after the copies ship, then deleted.

Send it back to editor@tingeworld.com

Attach your photograph to the same email, and send it from the address you wrote above. That is how we know the page is really yours. If anything is missing we will come back to you, and if we cannot reach you we will ask whoever organised the party.
